

Scene # 8, the King Scene.

SCRIPT:

King 1 ~ (seated, with one elbow leaning on the table and holding a map in the other hand) "The great King is born. We have seen His star in the east. We have waited so long for this day, and now the heavens declare it is here!"

King 2 ~ (seated, preparing gifts of gold, frankincense and myrrh) "Let us follow the star and find the Child. We will worship him and offer our gifts to Him – gold, frankincense and myrrh."

King 3 ~ (pacing, examining the gifts and studying the maps) "We must first go to Jerusalem and inquire about His birthplace. Surely King Herod will know of it."
